# About us

---

Corporate House is a family run business that takes pride in the ability to tailor exclusive packages that are fully inclusive with no hidden costs and suit each of our client's specific business needs.

Successful businesses require quality offices, in the perfect location, with the highest standard in technology, people and support staff. At Corporate House we offer our clients the best possible environment to achieve this.

All of our executive suites are of premium 'A' grade quality and offer a modern layout with the latest technology, including high-speed internet access, state of the art photocopying machines and conference facilities. All Corporate House locations have easy access to major freeways, CBD and Airport.

Your clients will be impressed by our friendly, professional and dedicated receptionists and the prestigious working environment that Corporate House provides.

With Corporate House you run your business, we run your office.
